Dear

## Annual Rotary Charity Golf Day – Sunday 5th November 2017

The Rotary Club of Dalby will be conducting its Charity Golf Day to raise funds for local charities and community organisations on Sunday 5<sup>th</sup> November 2017.

Last year's Rotary Golf Day was a great success raising nearly \$2,000. These funds were used to go towards the \$4,000 cost of the Rotary Youth Driver Awareness Program, which is run each year for all year eleven students at the three High Schools in Dalby.

Funds raised from this year's Golf Day will also be used for this very informative and necessary day-long event, which provides expert road safety advice from driving instructors, police, and paramedics.

Being a social golf day we aim to cater for golfers and non-golfers. The 18 hole competition will be a 3 person medley ambrose, (men, mixed or ladies) with a shotgun start at 12 noon.

As our primary aim is fundraising for charity, we would like to seek your financial support by way of sponsorship of \$250. This amount also covers the golf competition fees of \$90 per team of three for sponsors. Alternatively we would greatly appreciate any items, which can be used for prizes.

Please advise of your company's name when booking at the Pro-Shop. Sponsors will be acknowledged on a banner at the golf clubhouse.

We hope that you see fit to support our Charity Golf Day, and we would greatly appreciate your generous support by 13th October. As most sponsors request a tax invoice we have taken the liberty of including one, if you wish to use it, to reduce paperwork and facilitate easy payment either by direct bank deposit or by cheque in the post.

Looking forward with thanks to your support by way of money or prizes, and if possible your participation in the 2017 Rotary Charity Golf Day.

Yours sincerely,

Bernie Caffery  
Community Service Director
