

From the President

Welcome to the 2018 – 2019 Golfing Year. I would like to thank the Captains for all their hard work in compiling another year of golfing events for members to enjoy. Also, a huge thank you to the committee members who work behind the scenes to keep our club running.

Membership fees are once again due and the club needs this money to keep the club afloat. There have only been minor changes to fees this year, other than the simplification of member classes. We are fortunate to have access to an 18 hole golf course that is arguably the best course west of Toowoomba with many benefits as outlined below.

As with any Golf Club, declining membership continues to be an issue. With that in mind, private clubhouse functions are often held to supplement our income. We ask that members respect our decision to allow these functions and acknowledge the requests by staff when players are required to use the Spike Bar. The alternative to holding functions is a substantial increase in membership fees which isn't our preferred option at this stage.

Exciting things are planned for this year with the installation of a new bar and solar power for the Club House. We will continue to explore available grants for the irrigation of fairways as well as a "FUN" project for the Clubhouse (Freshen, Unclutter & eNergise). Here's to a great year of golfing!

Membership of the Dalby Golf Club has many benefits...

- ✓ Access to a local superbly maintained 18 hole country golf course and fully licensed Clubhouse.
- ✓ Competitively priced membership in line with other regional 18 hole courses.
- ✓ Use of the club's excellent driving range facility at member prices.
- ✓ Save on green fees – Pay only \$9 for 18 holes instead of \$26 for social players.
- ✓ Obtain an official Golf Australia handicap recognized on golf courses nationwide.
- ✓ Entry into regular 9 & 18 hole competitions through the week and weekends including Honour Board events.
- ✓ Login to Dalby's MiClub online golf booking system to confirm your tee times as well as view your player history including hole by hole playing statistics. See dalby.miclub.com.au.
- ✓ Be a beneficiary of the Dalby club's 5 year plan to invest in further improving the golf course, clubhouse facilities, and player participation across all age groups.

Keeping up to date with coming events...

The club provides regular information on coming events to members via a weekly email newsletter, an online calendar of events at www.dalbygolfclub.com.au, also on social media through the club facebook page, mobile sms updates, clubhouse tv advertising, and printed material on the pro-shop notice board. Members can also obtain a printed newsletter and calendar of events in the clubhouse bar area. *(Please see over page ...)*
