There are 4 seasonal competitions each year based on the 4 school term dates.

Each season, the best 10 points scorers will go into a final. The next final is March 31.

The final will be the traditional 9 Hole Shoot-out with BBQ and prize presentation afterwards.

Shoot-out Prizes

\$100 – Shoot-out winner

\$50 – Shoot-out Runner-up

\$50 – Season Points Winner

Weekly Competition

The points system is unchanged and weekly stableford winners receive a club voucher. Pin shots will also be awarded.

There is a special handicap system to reward participation ... 1 stableford point is added to your score just for playing. The weekly winner then has 3 stableford points deducted prior to the next week's play. This system will allow more players a chance of winning the weekly prize voucher.
