ON COURSE WITH PRESIDENT CRAIG.

A successful coaching weekend was held on Saturday and Sunday attended by 14 men, 9 ladies and 10-15 juniors. As advertised, our local PGA pro Heath Garvey and visiting PGA Pro from Mount Coolum Golf Club TJ King, conducted clinics for our men, ladies and juniors. All attendees learned a thing or 2 to improve their game.

Proof was in the pudding with the quality of the coaching as our Sporters President Tunna Hewson played brilliantly a mere couple of hours after his lesson to be narrowly pipped on a count-back for the chocolates on Sunday.

Maybe better luck with the Xmas hams on offer this Thursday Tunna!

We thank Golf Australia and the DDGA in helping fund these days to allow our club to offer this for free. Positive outcomes were...

- 1. Heath made the comment, in particular after our session with our men, that players would see him for further lessons to improve their games.
- 2. The eagerness of some of our juniors to back up enthusiastically 2 days in a row.
- 3. TJ's comments on how good our facilities are in particular our practice areas. Eg Mount Coolum doesn't have the space for a driving range like we have. He also was positive on the state of our greens which is pleasing given where we have come from in the last 12 months.
- 4. TJ King tearing the course apart on Saturday afternoon with a 7 under 65 that could well have been a 62.
- 5. Despite that, he was beaten on a count-back for the monthly mug (69 nett).
- Also, carrying our club manager Gavin Pontin, he wasn't able to win the Keno ticket. Those honours went to opposition Craig Brennan and Charles Maguire, despite Charles's 9 on the 17th.
- 7. TJ was very appreciative of the local hospitality, in particular the refreshments, before, during and after golf.

If any members wish to put ideas going forward regarding our golf operations, we are happy to hear your thoughts.

Below: Junior golf coaching plays an important part in developing the future of the game in Dalby.

Below: The Ladies also enjoyed a "fantastic" session with TJ on Saturday.

THE WEEK IN REVIEW

Regretfully we must farewell our energetic course groundsman, Treva Turner.

We wish Treva every success in his new venture.

Treva has made a big impact in a relatively short time at the Dalby course.

We thank him for his attention to detail in the way the course has been presented. It really has been amazing to see what one man can achieve with the right equipment and volunteers ready to assist when required. Golf Manager Paul Donnelly will take over Treva's duties on a temporary basis until a new replacement is appointed. The greens management will continue under Garry Schultz.

Xmas festive season

Less than a month to Xmas and we have a number of functions booked at the club. One of those is the favoured Sporter's xmas party. **Save the date of December 8th.**

Centre points update

With this week being the last week of play, the accumulative points for the year are as follows... **1**. Dan Glasby 35, **2**. Arthur Martin 28, **3**. Mike Peeck, **4**. Mark White 24, **5**. Jim Dore 18, **6**. Peter Forbes 15, **7**. Belinda McGregor 14, **8**. John Taylor 14, **9**. Doug Nuttall 10, **10**. Steven Forbes 10, **11**. Peter Waters 9, **12**. Peter McKinnon 8, **13**. Alan Buckley 8.

The top 10 will qualify for the end of year shootout on Wednesday 7th December starting at 8.30am. If any players are unable to attend, reserves will be called.

The Final Shootout was held today for the #1 Property Centre Mid Week Challenge. Winner was Peter McKinnon, Runners Up Doug Nuttal & John Taylor. Overall winner for the year was Dan Glasby whose name gets engraved on the perpetual trophy.

*Special thanks to Peter Forbes of #1 Property Centre for making this event happen. It is a fantastic concept with a unique weekly points score system, culminating in the 10 player shootout at the end of each season.

Weekly winners are allocated 3 points for the win, runner up 2 points and all participants 1 point each. We hope to build on this event and see more players regularly play for the chance at the shootout dollars at the end of the event. If you thinking of joining the club, this is an excellent event to introduce you to competition golf in an informal setting.

Range Balls

Unfortunately, like a lot of things these days practice range balls are very hard to source. Whilst we encourage our members and social players to practice their golf, we do ask that range balls purchased to use for practice are used at that particular time. We cannot afford to have balls mothballed in players bags or carts. Only purchase what you intend to use. We have options of 25 / 50 / 100 ball buckets at very reasonable prices. Calls to our suppliers have resulted in being told that balls will not be available until early 2023.Please if you have balls in your bag/cart please return them to the bar so we can make them available to people.

Pennants 2023

We have placed nominations for both Division 2 and Division 5 pennants competition for 2023. Div 2 will be jointly coordinated by Craig Brennan and Jack Ehrlich. Div 5 will be led by Peter Francis. Thank you to these guys for stepping up to see us continue as a force in representative golf. We have a good base of players to select strong teams, keep your eyes open to further news in 2023.

Ball Register

Members are reminded that all players receive a \$3 credit to the ball register for any pin shots or rundown balls won during a competition round. This credit is recorded and available to use for purchases from the pro shop, range balls or special order items. Balances are unable to be used for bar purchases or competition fees. If you are unsure of your balance, please ask.

MAKE A DIFFERENCE! Bring in your containers for recycling and help improve YOUR golf course !

As many of you are aware, we have actively been collecting bottles and cans since the inception of the refund scheme in Qld. Since that time, we have raised a touch over \$14000, with a present balance of around the \$10000 mark. The aim is to use the money to make course improvements over time. The first being the long overdue completion of the concrete path behind the first tee and practice putting green. Our next project will be to extend the concrete path to the 14th tee and also a new path from the bbq area towards the 1st fairway extending approx 15 metres and a width of 3 metres. After this is done we will look to further improve areas around the club / course which are not of a high priority. We ask that members might consider donating their bottles and cans if they do not wish to cash them themselves. All bottles and cans may be deposited into the wheelie bins along the far buggy shed wall. If you have any questions regarding this and future projects, please speak with Paul.

Prizes for Winner, Best Front 9, Back 9 and Pin shots. Also Jackpot Winner.
