[A story from yesteryear involving two golf greats, Johnny Miller and Jack Nicklaus.](#)

View on Youtube: <https://www.youtube.com/watch?v=u9KrMQDU94g>

Johnny Miller is a 25 time PGA tour winner including two major championships.

Here, at an exhibition round to celebrate the grand opening of the Jack Nicklaus designed course that was playing host to a Senior PGA Championship, Johnny Miller faced an uphill putt that measured more than 100 feet.

This round was not part of the tournament itself but a preliminary round of old golfing greats the day before the actual tournament began.

In front of the crowd, Johnny smilingly claimed that the putt was impossible, impugning the honor of Jack Nicklaus who had just finished designing the course. Jack came over to defend the course he had just built. The rest is a lesson in golf ... See <https://www.youtube.com/watch?v=u9KrMQDU94g>
